

Buying or selling property?

Online settlement is here...

Selling just got a whole lot easier...

Greater certainty

Manual processing is prone to error... why take the risk? PEXA's online document checks bring you greater certainty of successful, on-time settlement.

Get your money fast

Why wait days for cheques to clear? With online settlement through PEXA, your sale proceeds will be processed as cleared funds to your nominated accounts.

Easier for you

PEXA makes the experience of selling easier for you. With PEXA, there is no longer any need to physically obtain and sign a paper transfer document.

Whether you are buying or selling, SettleMe lets you track the status of your settlement in real-time for free – see back cover for more.

Buying just got a whole lot easier...

On-time settlement

PEXA's automatic online document checks give you greater certainty that your settlement will occur as scheduled, allowing you to take ownership of your new property.

Peace of mind

In the manual world, documents registering your ownership are typically not lodged until days or sometimes weeks after settlement. With PEXA, this happens instantly giving you peace of mind.

No more bank cheques

PEXA eliminates the need for bank cheques, saving you time and money.

Whether you are buying or selling, SettleMe lets you track the status of your settlement in real-time for free – *see back cover for more.*

SettleMe

SettleMe is PEXA's real-time settlement tracking tool giving you a clear view of your property transaction.

Provides instant alerts on your settlement date and time – and when the deal is done.

Allows you to track the status of your settlement from any device, anywhere, at any time.

Ask your lawyer or conveyancer for SettleMe – it's free!
